

## Last Year vs. This Year: Key Differences

Use this crosswalk table to understand differences in terminology between this year and last.

| Last Year/PAN   | This Year/ADAM  |
|---|---|
| Assessment Name: PARCC  | Assessment Name: DC CAPE  |
| Management Platform: PAN  | Management Platform: ADAM   |
| SR/PNP  | SR: Student Registration automatically feeds from OSSE<br>PNP: Student accommodations noted in Accommodations Registration File |
| Unit  | Now called 'Section'  |
| Section (calculator/non-calculator)                                   | Now called 'Part'   |
| Test Session  | Now called 'Proctor Group'  |
| Test Assignment   | Now called 'Administration'   |
| Not tested codes  | Now called 'exception codes'  |
| Tech Coordinators had to configure TestNav and proctor caching in PAN | Pearson is setting up TestNav configurations (although students still need TestNav on their testing devices)                    |
