## DC Statewide Assessments Unique Accommodations Request Form

The Office of the State Superintendent of Education (OSSE) has an established process for approving student use of unique accommodations on statewide assessments. In the rare event that a student with a disability or an English Learner requires an accommodation on a statewide assessment that is not included on the standard accommodation list; the item is deemed a unique accommodation. As with the standard accommodation, a unique accommodation may not change the construct being measured by the assessment. When applicable, individual schools must *use this Unique Accommodations Request Form* to request approval for individual student use of a unique accommodation for an assessment.

A minimum of **four weeks** prior to test administration, the school principal, principal's designee, or assessment coordinator must complete and upload the Unique Accommodations Request Form into the <u>OSSE Support</u> <u>Tool</u>. School personnel are responsible for the mandatory filing of a copy of this completed request form into the student's file.
