

## 4.12 Script for Administering Science

On the first read through, Test Administrators are required to adhere to the scripts provided in this manual for administering the Science assessment. Read word-for-word the bold instructions in each SAY box to students. You may not modify or paraphrase the wording in the SAY boxes. Some of the SAY boxes are outlined with a dashed line and should ONLY be read aloud if they are applicable to your students. Some directions may differ slightly by section and are noted within the administration script.

#### Instructions for Preparing to Test

	<p><b>Today, you will take the Science Assessment.</b></p> <p><b>You may not have any unapproved electronic devices at your desk. Making calls, texting, and taking pictures are not allowed. If you have any electronic devices, including cell phones, with you right now, please turn them off and raise your hand. If you are found to have unapproved electronic devices during testing, your test might not be scored.</b></p>
---	--

If a student raises their hand, collect the electronic device (or follow your school/LEA policy) and store it until the section is complete. Certain electronic devices may be allowed for accommodations purposes only during testing. Contact your Test Coordinator if you have questions regarding electronic devices.

	<p><b>Please sit quietly while I distribute the test materials.</b></p>
---	---

Distribute scratch paper, wooden No. 2 pencils, and approved accessibility/accommodations tools, if needed for certain students. Then, distribute all test materials (see required materials list above).

	<p><b>If Section 1: Write your first and last name at the top of your test booklet.</b></p> <p><b>If Section 2, 3, or 4: Check to make sure your first and last name is written at the top of your test booklet.</b></p>
---	--

Make sure that each student has written their name on the test booklet and answer document.

## Instructions for Administering All Sections

	<p>Using the labels on the edge of the page, open your test booklet to the first page of Section_ (fill in the appropriate section) and follow along while I read the directions.</p> <p>Today, you will take Section_ (fill in the appropriate section) of the_ (fill in the appropriate grade level) Science Assessment.</p> <p>To respond to the tasks on this test, you may be asked to review information in the form of text, images, data tables, and graphs. Analyze all the information and tasks carefully and then respond to each task. You may need to read across multiple pages to see all the information. You will be allowed to use a calculator for all sections in this test.</p> <p>Some tasks require more than one response. You may look back at the information as often as necessary.</p> <p>For tasks that ask you to explain, describe, or answer in your own words, write your responses in the space provided. You may use scratch paper to organize your thinking before writing your response in the space provided.</p> <p>For tasks that ask you to fill in the blank spaces or write answers in the correct box, you may write the letter corresponding to the response or write the entire response in the blank space.</p> <p>If you do not know the answer to a question, you may select or compose an answer you think is the best response and go on to the next question. If you finish early, you may review your answers and any questions you did not answer in this section <b>ONLY</b>. Do not go past the stop sign.</p> <p>Finally, before beginning the test, please write your name on the top of the cover page and wait for the test administrator to inform you to turn the page.</p>
--	--

	<p>This is the end of the directions in your test booklet.</p> <p>When you see a GO ON sign in your test booklet, you may go on to the next page. When you reach a STOP sign in your test booklet, do NOT go on until directed to do so.</p> <p>Examples of the GO ON and STOP signs are posted on the board.</p> <p>If you finish early and have completely checked your work, raise your hand and I will collect your test materials. Once I have collected your materials, you cannot get them back.</p>

Grades 5 and 8  
Science and High School  
Biology All Sections

Read from OPTION A, B, or C below based on your local policy (refer to your School Test Coordinator).

<b>SAY</b>	OPTION A <b>After I have collected your test materials, please sit quietly until the section has ended.</b>
	OPTION B <b>After I have collected your test materials, I will dismiss you.</b>
	OPTION C <b>After I have collected your test materials, you may read a book or other allowable materials until the section has ended.</b>

<b>SAY</b>	<b>Do you have any questions?</b>
------------	-----------------------------------

Answer any questions.

<b>SAY</b>	<b>You will have 45 minutes to complete this section. I will let you know when you have 10 minutes of testing time left.</b> <b>Turn to the next page. You may begin working now.</b>
------------	--

Write the starting time and stopping time in the timing box (Figure 3.0 Timing Box Example).

Actively proctor while students are testing:

- Redirect students as necessary (Section 4.6.2).
- Collect test materials as students complete testing (Section 4.8.1).
- If students have questions about an item, tell them, "Do the best you can."
- If students indicate that a test item seems irregular, refer to Section 4.6.4.

#### **Instructions for Taking a Break During Testing**

The following are permitted during test sessions at the discretion of the Test Administrator:

- One stretch break of up to three minutes for the entire classroom during testing for each section. The stopping time should be adjusted by no more than three minutes if there is a stretch break.
- Individual restroom breaks during testing (do not adjust stop time).

The following security measures must be followed:

- Students must be supervised at all times during breaks.
- Test booklets and answer documents must be closed or covered.
- Students are not permitted to talk to each other during testing or breaks during testing.
- Students are not permitted to use electronic devices, play games or engage in activities that may compromise the validity of the test.

If taking a three-minute stand and stretch break during the section:

<b>SAY</b>	<b>Please stop testing, place your scratch paper in your answer document, place the answer document in the test booklet, and close your test booklet. We will take a silent three minute stretch break. No talking is allowed.</b>
------------	--

After taking a classroom break, ensure students open their test booklets and answer documents and continue testing where they left off.

<b>SAY</b>	<b>Open your test booklets and answer documents and continue testing.</b>
------------	---

#### Instructions for When 10 Minutes of Section Time Remain

When 10 minutes of section time remain,

<b>SAY</b>	<b>You have 10 minutes remaining.</b>
------------	---------------------------------------

Continue to actively proctor while students are testing.

#### Instructions for Ending the Section

When the section time is finished, read the following optional SAY box if there are students still actively testing.

<b>SAY</b>	<b>Stop working. Testing time has now ended.</b>
	<b>Close your test booklet and answer document.</b>
	<b>Check that your name is written on your test booklet and answer document. I will collect your test materials.</b>

- Collect all test materials from students.
- Return all test materials to your School Test Coordinator. Report any missing materials and absent students.
- Report any testing irregularities to your School Test Coordinator.

If you are administering more than one section in the same day, allow students to take a short break (e.g., restroom break, stretch break) or an extended break (e.g., lunch). Once students have returned and are seated, read the script to move onto the next section.
